30th ASEED-AIDMAT Foundation Day Celebration

The quest for spirituality is an infinite hunger of human beings that remains in a dormant state very often.

A poetic journey of life speaks volumes of one's inner dilemma and struggle. The poet Nagendra has penned down his insights with a powerful blend of divine nature and spirituality.

The ILAC Foundation day invites you for a free zoom conference that would provoke our inner energy to explore & experience the new meaning of our creative being.

The objective of the .scheduled meet on 25th January is to encourage youth's sensibility towards national identity, unfold creative potentials through their poetic being. Soft skill training has multifold dimensions therefore ILAC has to instill innovative ways to foster such attributes among master trainers and budding junior entrepreneurs.
